For questions about enrollment or eligibility, contact Relation Insurance Services at **(800) 537-1777**. For questions about benefits, please call GeoBlue at **(844) 268-2686**.

Insurance ID Card

You will receive an email from GeoBlue at the start of each semester/term notifying you to download your ID card. You may also set up an account at www.geobluestudents.com to access your ID card any time. If you need to seek medical treatment before you receive notice that your ID card is active, please contact Relation Insurance Services at **(800) 537-1777** to obtain your insurance ID number.

Carry your ID card with you at all times! You will need your card when you visit the campus health center, doctor's office, urgent care, hospital, or pharmacy.

If You Need to See a Doctor

You should go to the campus health center for treatment first or to receive a referral. There is no copay. **There are two campus health center locations:**

Santa Rosa Campus William B. Race Building Room 4017	Petaluma Campus Richard W. Call Building Room 610
---	--

If the campus health center is closed or you are away from campus, visit a PPO doctor or urgent care center for treatment. In order for your medical bills to be paid at 100% (after copay) when you seek treatment off-campus, the provider you visit must be a member of the Preferred Provider Organization (Blue Card PPO, part of Blue Cross Blue Shield). To locate a PPO provider, visit www.geobluestudents.com or call **(844) 268-2686**.
