Re: Santa Rosa Junior College, Fall 2021 Instructional Model

To Whom It May Concern;

This letter confirms that Santa Rosa Junior College (SRJC) is continuing with an adapted instructional method for the Fall 2021 semester, beginning on **August 16, 2021** and ending on December 17, 2021. The International Student Program (ISP) at SRJC hereby attests that all F-1 student visa holders attending SRJC in Fall 2021 will be required to pursue a full course of study in accordance with SEVP guidance, and that any international student who entered or will enter the U.S. after March 9, 2020 in initial status will be required to engage in a combination of in-person and online classes for the Fall 2021 semester.

In preparation for the possibility of delays in securing a visa and traveling to the United States, ISP will allow students to arrive up to 30 days after the start of classes listed on their Form I-20, with permission from the instructor or academic department.

Thank you for your consideration of this letter. Please do not hesitate to contact me with any questions.

Sincerely,

Becky Petrow
